

# Salinas Airport Tower Closure & NON-Towered Operations Meeting

Salinas Tower personnel have provided years of service to the pilots at Salinas. As a result of the SNS airport turning back to a NON-Towered airport as of June 15, 2013, it is important that ALL pilots be pro-active in making this transition work smoothly and safely.

**Directions:** US-101 South, take exit 326A to merge onto Airport Blvd. Turn left to stay on Airport Blvd., turn right on Skyway Blvd. The commuter terminal will be on the left and parking is across the road.

## A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!
